Dear Mr & Mrs Duffy.

This is Sam's final report for the 2020/21 academic year.

Many thanks,

Abbots Farm Junior School

ATTENDANCE	EFFORT	BEHAVIOUR
96%	Very Good	Outstanding

**READING** Auto-generated from iTRACK

<b>END OF YR 3:</b>	WORKING TOWARDS	Sam has developed his reading skills to an exceptional level this year - more than meeting the expected standard for his age group. He confidently applies a growing knowledge of root words, prefixes and suffixes to interrogate the meaning and pronunciation of new words. He can comfortably read increasingly less common exception words and is able to clarify the unusual correspondences between spelling and sound.
<b>END OF YR 4:</b>	WORKING AT DEPTH	
<b>PROGRESS:</b>	GOOD	
<b>TEST SCORE:</b>	105	

From our default comment bank

Good progress shown in Reading this year.

**WRITING**

<b>END OF YR 3:</b>	WORKING TOWARDS	Sam is able to clearly articulate and develop ideas in his writing, delivering work well above expected standards. Sam's approach to planning is thorough - taking into account audience and purpose, and he will consistently build cohesion across paragraphs using adverbs and conjunctions. Sam's writing is complemented by a high quality of his editing and proofreading, which can influence others in the class in a positive way. He uses tenses expertly, and his writing frequently takes advantage of literary techniques learned over the year.
<b>END OF YR 4:</b>	WORKING AT DEPTH	
<b>PROGRESS:</b>	GOOD	
<b>TEST SCORE:</b>	108	

Great improvement shown in Writing this year, and is a credit to his teacher.

## MATHS

END OF YR 3: **WORKING TOWARDS**  
END OF YR 4: **WORKING AT EXPECTED**  
PROGRESS: **GOOD**  
TEST SCORE: 100

Sam has demonstrated good development this year in Maths, and is eagerly working towards expected standards for the year group. His ability to solve number and place value problems has been helpful in allowing him to approach other aspects of mathematics, however some assistance is often needed to successfully apply what he has learned. Sam has done well in his efforts to learn multiplication and division facts for multiplication tables up to 12 x 12, with only some gaps remaining regarding higher numbers.

## WIDER CURRICULUM

You can choose from our detailed comment bank, or a simple table for the foundation subjects

Subject	Effort	Attainment
Science	Excellent	GDS
Computing	Excellent	EXS
History	Excellent	EXS
Geography	Very Good	EXS
Art	Excellent	EXS
Design Technology	Good	EXS
RE	Excellent	EXS
Music	Requires Improvement	WTS
PE	Good	EXS

## TEACHER COMMENTS

Sam applied himself extremely well this year and I am very pleased with the progress he as made throughout all of the core subjects.
